All payments due shall be forfeited.</p>
30.	<p>For Insolvency:</p> <p>The Employer may at any time terminate the contract by giving written notice to the Contractor, if the Contractor becomes bankrupt or otherwise insolvent. In this event, termination shall be without any compensation to the Contractor.</p>
31.	<p>For Convenience:</p> <p>The Employer, by written notice sent to the Contractor, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Employer's convenience, the extent to</p>

	which performance of the Contractor under the Contract is terminated, and the date upon which such termination becomes effective.
32.	<p>Payment upon Termination:</p> <p>(a) If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Engineer shall issue a certificate for the value of the work done less advance payments received up to the date of the issue of the certificate, less other recoveries due in terms of the contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the work not completed as indicated in the Contract Data.</p> <p>(b) If the Contract is terminated at the Employer's convenience or because of a fundamental breach of Contract by the Employer, the Engineer shall issue a certificate for the value of the work done, less advance payment received up to the date of the certificate, less other recoveries due in terms of the contract and less taxes due to be deducted at source as per applicable law.</p>
33.	<p>Finishing the Contract:</p> <p>The Contractor shall request the Engineer to issue a Certificate on completion of the Works and the Engineer will do so upon deciding that the Work is successfully completed.</p>
34.	<p>Tax, Royalty etc.:</p> <p>The Income Tax, GST and any other taxes as applicable will be deducted at source. The Forest royalty as per norms and rules will be borne by the Contractor.</p>
35.	<p>Safety:</p> <p>The Contractor shall be responsible of the safety of all activities on the Site.</p>
36.	<p>Water and Power:</p> <p>Arrangement of water and electric power required by the contractor for the works shall be made by him at own cost. Department will however recommend to the State Electricity board for giving the connection and power to the contractor. However the Department will bear no responsibility in this respect.</p>
37.	<p>Settlement of Disputes:</p> <p>The Purchaser and the Supplier shall make every effort to amicably resolve any disagreement or dispute arising between them under or in connection with the Contract. If, after ten (10) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given in writing. Arbitration proceedings shall be conducted in accordance with the Acts and rules of procedure interpreted in accordance with the laws of the Union of India, including the Arbitration and Conciliation Act as amended till date and within the Jurisdiction of Honourable Guwahati High Court. Arbitration proceedings shall be held at Guwahati, Assam, and the language of the arbitration proceedings and that of all documents and communications between the parties shall be English.</p>
38.	<p>Influencing the Employer:</p> <p>Any effort by a Bidder to influence the Employer in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the his bid. Canvassing in any form from any source is prohibited and liable for rejection of the Bid.</p>
39	<p>Turn over:</p> <p>Bidder has achieved, in at least one financial year, a minimum annual financial turnover (in all classes of Civil Engineering construction works only) 90% of bid value.</p>
